The Waffle Brothers Waffle is a wonderful tasting sugar Waffle with a couple of unique characteristics. The dough itself is not sweet but rather was created to hold moisture and blend itself perfectly with a special nib sugar imported from Belgium. When the dough with nib sugar is placed on the Waffle Brothers irons, a special process occurs. Some of the nib sugar melts in the Waffle adding to the texture, some caramelizes on the outside and some stays in whole form remaining slightly crunchy. This gives the customer several sensations when biting into a Waffle Brothers Waffle.

Original Waffle: A sweet treat that is great plain or with any fruit, spread, shaker or whipped cream.

Traditional Waffle: Lighter, crispier and not as sweet as our Original Waffle. (Special recipe without nib sugar) The Traditional Waffle is best served with syrup and butter, just like Grandma makes!
☆The Traditional Waffle as a bread choice for a sandwich is an All-Star move!☆

All Natural Whole Wheat: All Natural Whole Wheat is sweetened with Honey and Banana. The Waffle can be topped with any item to your satisfaction.

Gluten-Free Waffle: Made with a unique blend of Gluten Free flours and less Nib Sugar than the Original Waffle. Remember to try our Gluten Free Bread and Bagel, for your sandwich choice or Breakfast Sandwich! A Tasty Treat!

Vegan Waffle: We have taken great care and pleasure in developing this Waffle. We have combined diced Granny Smith apples and Craisins to make this Waffle a one of a kind. Enjoy!!!!!!
